

Browsing a project

The project browser has three panels:

- On the left is the Hierarchy tree. Here you can browse through concepts/classes - click on it to display its details.
- In the panel is the details panel. This will show the full description of the class/concept selected in the hierarchy tree.
- On the right is the search panel, use this to [search for classes/concepts](#).

The screenshot displays the CEH Vocabularies web interface, titled "Environmental monitoring facilities". It is divided into three main panels:

- Hierarchy tree:** A tree view on the left showing a hierarchy of concepts. The "Sea ice" concept is selected and highlighted in blue. The tree includes categories like "Monitoring features", "UKEOF Code lists", "Environmental domain", "Facility type", "Funding category", "GCOG Essential Climate Variables", "Atmospheric", "Oceanic", "Sub-surface", "Surface", "Terrestrial", "Measurement regime", "Process type", "Purpose of collection", "Responsible party role", "Result acquisition source", "Result nature", and "Topic category".
- Concept details:** A central panel showing details for the selected "Sea ice" concept. It includes:
 - Concept URI: http://ontology.nrc.ca/uk/EF/GCOS_2_1_4
 - Labels and Definition:** preferred label: Sea ice (en), type: Concept
 - Standard Relationships:** has broader: Surface
 - Custom Properties:** http://purl.org/dc/terms/created: 2015-02-18T16:02:41Z, http://purl.org/dc/terms/creator: phr, http://purl.org/dc/terms/modified: 2015-02-18T16:29:02Z
 - Notes:** scope note: <http://gcosic.org/content/gcos-oceanic-surface-ecv-sea-ice> (en)
- Search:** A panel on the right titled "Search for Concept". It features a "Search any Text" input field with a "Case sensitive" checkbox. Below it, there are sections for "Labels and Definition" with checkboxes for "preferred label", "alternative label", "hidden label", "definition", and "notation". At the bottom, there are "Search" and "Reset" buttons, and a "Search Results" section.

Three pink curly braces at the bottom of the screenshot group the panels under the labels "Hierarchy tree", "Concept details", and "Search".

The hierarchy tree can be toggled on/off by pressing CTRL + left arrow on your keyboard.

The search panel can be toggled on/off by pressing CTRL + right arrow on your keyboard.
