The presentations and practicals from this course have been removed - please see the [Course 5](#) page for updated information.

Feedback from participants

Seventeen participants attended the April 2010 course. At the end of the course we asked for oral feedback and also distributed a questionnaire. The results of the 15 completed questionnaire can be found [here](#) (we have included all comments the complimentary, the constructive and even the one negative response). The subsequent courses will be amended to take into account the constructive comments received.
