By road: Leave the M6 at junction 33, take the A6 north towards Lancaster. Continue for 1.75 miles, turn right at the second set of traffic lights into the University (after Galgate village). At the roundabout take the last exit. CEH is located on Library Avenue (1st left) (building 43 on [Campus map](#)), however, if you want to park on campus you will need to use one of the Visitor parking pay and display areas - the University have recently changed the parking areas and the Campus map does not show all of these correctly see: [Parking areas](#). The most convenient visitor parking for CEH Lancaster is on Farrer Avenue; cost is £5 for up to 10 hours.
