

FASSET reports

FASSET reports

Strand, P., Beresford, N., Avila, R., Jones, S.R., Larsson, C-M., 2001.

Deliverable 1: Identification of candidate reference organisms from a radiation exposure pathways perspective.

[D1 Full text](#)

[D1 Appendix 1](#)

[D1 Appendix 2](#)

Larsson, C-M., Brewitz, E., Jones, C., Konsult, K., 2002.

Deliverable 2: Part 1 Formulating the FASSET assessment context.

Deliverable 2: Part 2 Overview of programmes for the assessment of risks to the environment from ionising radiation and hazardous chemicals.

[D2 Part 1](#)

[D2 Part 2](#)

Pröhl, G., 2003.

Deliverable 3: Dosimetric models and data for assessing radiation exposures to biota.

[D3 Full text](#)

Woodhead, D. and Zinger, I., 2003.

Deliverable 4: Radiation Effects on Plants and Animals]

[D4 Full text](#)

Brown, J., Strand, P., Hosseini, A., Børretzen, P., 2003.

deliverable 5: Handbook for Assessment of the Exposure of Biota to Ionising Radiation from Radionuclides in the Environment.

[D5 Full text](#)

[D5 Appendix 1](#)

[D5 Appendix 2](#)

Larsson, C-M., Jones, C., Konsult, K., Gomez-Ros, J.M., Zinger, I., 2004.

Deliverable 6: Framework for assessment of environmental impact of ionising radiation in major European ecosystems.

[D6 Full text](#)

Note: FASSET Deliverable 6 includes active links to other deliverables (D1-D5) and the related documents below. All documents should be downloaded in to the same directory for the links to work; do not change filenames.
