

Wiki upgrade - Tuesday 10th January 2012

A scheduled upgrade has been planned for Tuesday 10th January 2012. CEH's wiki will NOT be available between 0830-0930. Apologies for any inconvenience this may cause you.

This note is to let you know that we are planning to upgrade CEH's Wiki to version (3.5.13) on **Tuesday 10th January 2012** between **0830-0930**. This update has to be done to keep our installation current, allowing us to continue to receive vendor support and ensure all necessary security patches are applied.

The new version will include fixes offered between our installed version **3.4.9** and **3.5.13**.

Some of the features included in this upgrade are listed below:

- Autowatch and Improved Notification Settings
- Improved JIRA Integration
- Sharing Pages and Blog Posts
- Enhanced Code Macro

More information on the upgrade can be found here on the [Confluence](#) website.

If you have any questions or comments about this upgrade, please don't hesitate to [get in touch](#)
