How do I login?

First log in to reach the content management system (where you add and edit content) at <http://auth-ceh.axis12.com>. This is necessary because the website is hosted externally, so this website has to be password-protected. Then you log in as yourself.

1. Go to <http://auth-ceh.axis12.com> and log in using **clientceh** and the password **Passw00rd** (case-sensitive)
2. Go to <http://auth-ceh.axis12.com/user> (or scroll down to the "login" button) and log in using your normal network user name (the first part of your email) and the password sent to you by email (or the password you subsequently changed it to) - there is a password reset option, or contact [cehwebsupport](#).

When coming back to edit your profile later, you will still need both stages of logging in, although you can set your computer to remember your credentials.

Replace This Text Too

Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old. Richard McClintock, a Latin professor at Hampden-Sydney College in Virginia, looked up one of the more obscure Latin words, consectetur, from a Lorem Ipsum passage, and going through the cites of the word in classical literature, discovered the undoubtable source. Lorem Ipsum comes from sections 1.10.32 and 1.10.33 of "de Finibus Bonorum et Malorum" (The Extremes of Good and Evil) by Cicero, written in 45 BC.
